The form is titled 'Get a free SlideShare account' and contains the following fields: 'Username' (with a blue border), 'Password', 'Email Address', and 'Verify Text'. The 'Verify Text' field shows a CAPTCHA image with the text 'XBWwvp' and a 'Refresh' link. Below the CAPTCHA is a checkbox labeled 'Send me the SlideShare newsletter' which is checked. At the bottom of the form is an orange 'SIGN UP' button. Below the button, it says 'By clicking sign up, you are accepting the TOS' with a link to the Terms of Service.

3. Initially you may view a slide set on the person's profile page, that has their overall web address, such as the overall address for Amy Peterson is <http://www.slideshare.net/amylopupete>

However, to access, the link for downloading the slides, you need to click on the link below the name of a slide set you view on this page to get to a view that features just those slides, for example: Winning the Game – Teaming Food and Fluids for Teen Athletes.
