1. Introduction :-

Help document help user to access Nursery mobile and web application and complete the respective requirements.

1.1 Purpose :

The main purpose of this document is to provide stepwise operational procedure for FMDSS mobile applications.

2. Essential Condition

i) GPS functionality: To capture the Latitude & Longitude you must make sure that the 'GPS'/'Location' is turned on.

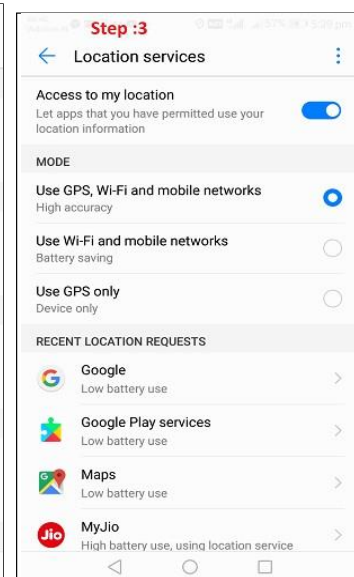

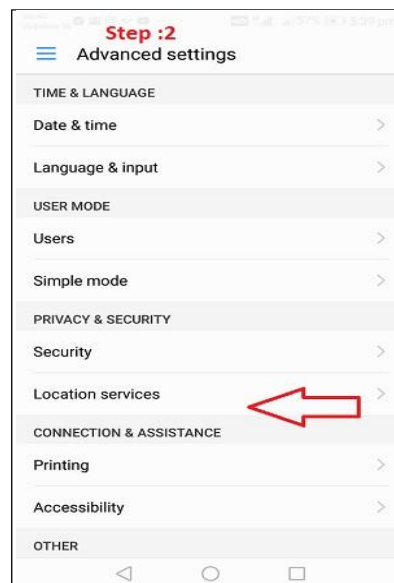

ii) Internet Connection: Is required during following stages:

a. First time login (to authenticate the SSO Id and password as provided at the time of user registration in "SSO" after authentication.

3. GPS in your phone:

Ensure GPS is turned on in your phone:-

a. Go to settings > Location > and check if 'High Accuracy' / Satellite, Wifi and mobile network option is turned on. (Depending on android version / phone models, the options may change)

4. Access of Mobile Application :

Please follow below mentioned instructions for download, installation and registration of 'FMDSS' mobile application:

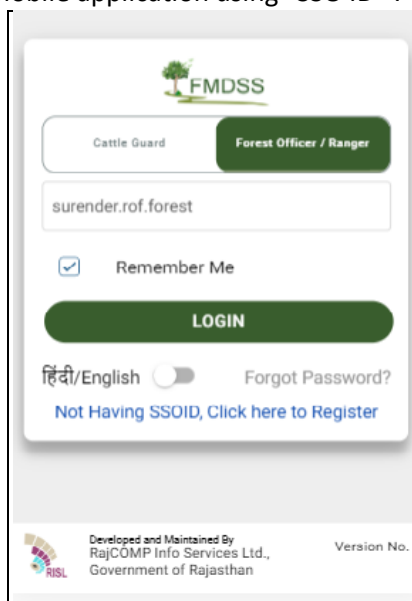

1. User can download Fmdss application from "Google Play Store" or from web

(<https://fmdss.forest.rajasthan.gov.in/>)

2. After downloading and installing the FMDSS mobile application .

3. User will login into FMDSS mobile application using "SSO ID" .

4. If user login first time in "FMDSS Mobile Application" or user don't have "SSO" ,then click on "Register Now" link or click on <https://sso.rajasthan.gov.in/register>.

5. After entering valid "SSO ID" , user will receive OTP on registered mobile number or email id.

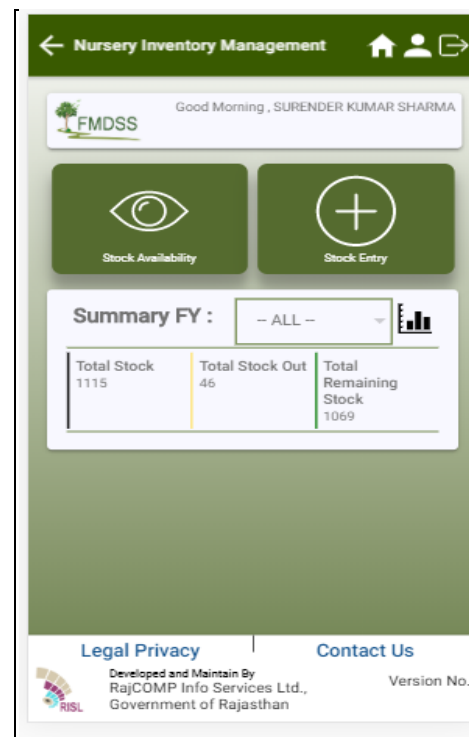

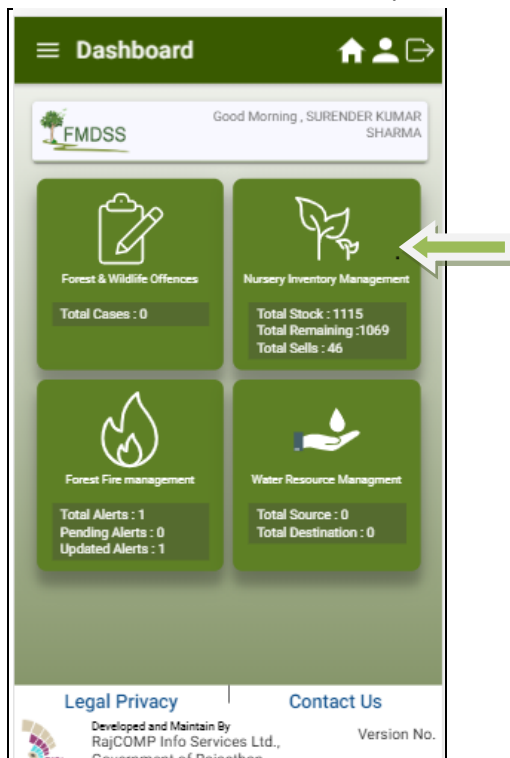

6. After entering valid "OTP" , user will re-direct to mobile application dashboard.

7. In User Dashboard, click on “Nursery Inventory Management”.

5. Access "Nursery Inventory Management ":

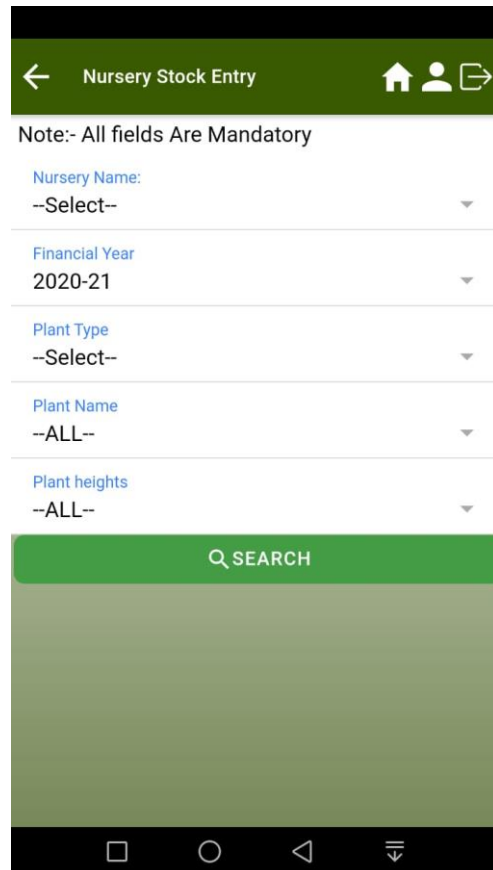

1. User dashboard, Click on "Nursery Inventory Management”.

2. After clicking on “Nursery inventory management”, nursery inventory management dashboard will open.
3. In nursery inventory dashboard, click on “Stock Entry” panel to add or update plant stock.

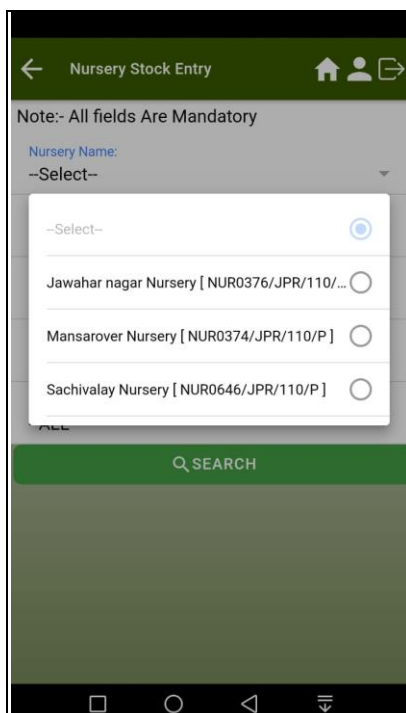

5.1 Stock Entry

1. In nursery stock entry , Select “Nursery Name” from drop down menu.

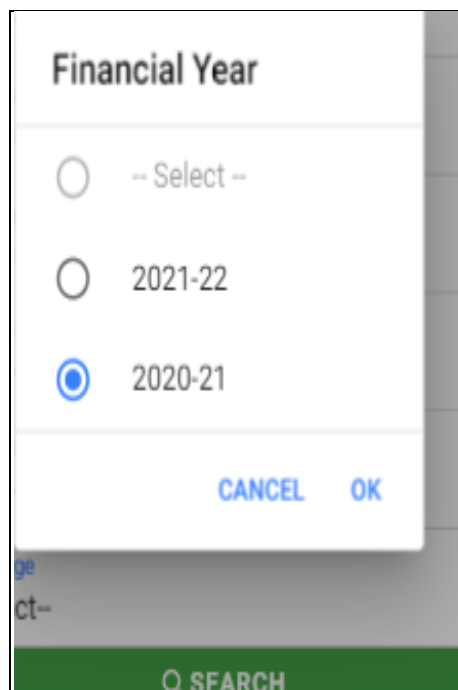

The screenshot shows the 'Nursery Stock Entry' form. At the top, there is a green header bar with a back arrow, the title 'Nursery Stock Entry', and icons for home, user, and share. Below the header, a note states 'Note:- All fields Are Mandatory'. The form contains five dropdown menus: 'Nursery Name' (currently showing '--Select--'), 'Financial Year' (showing '2020-21'), 'Plant Type' (showing '--Select--'), 'Plant Name' (showing '--ALL--'), and 'Plant heights' (showing '--ALL--'). Below these fields is a green bar with a magnifying glass icon and the text 'SEARCH'. The bottom of the screen shows the Android navigation bar.

2. After selecting “Nursery Name”, select “financial Year” from drop down menu.

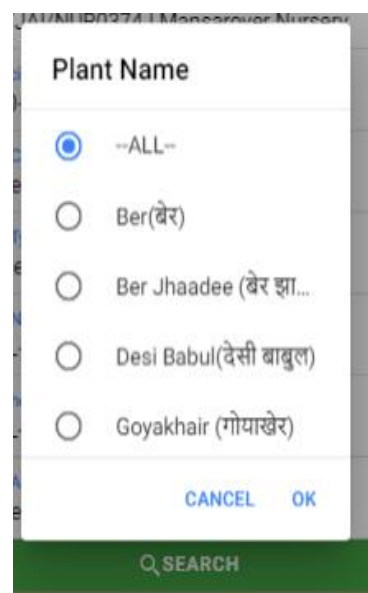

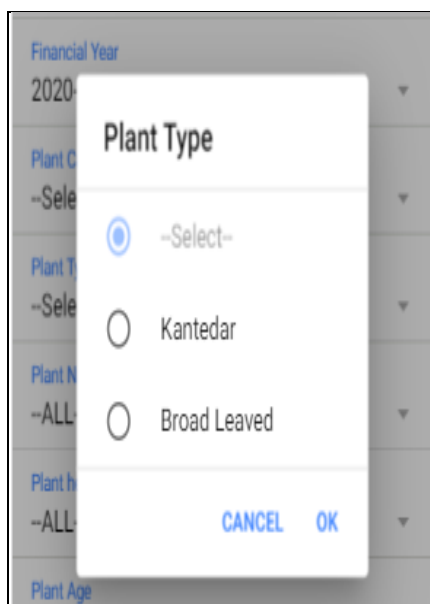

This screenshot shows the 'Nursery Stock Entry' form with the 'Nursery Name' dropdown menu open. The dropdown list displays four options: '--Select--', 'Jawahar nagar Nursery [NUR0376/JPR/110/...', 'Mansarover Nursery [NUR0374/JPR/110/P]', and 'Sachivalay Nursery [NUR0646/JPR/110/P]'. Each option has a radio button next to it. The background shows the same form as the previous screenshot, but the 'Nursery Name' field is now populated with the selected option.

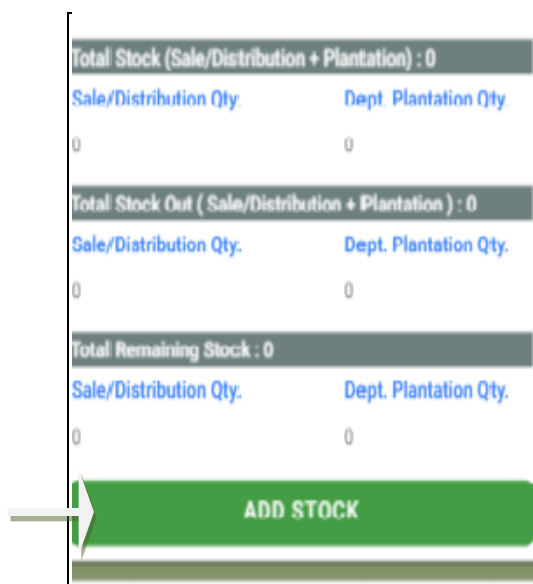

This screenshot shows the 'Financial Year' dropdown menu. It has a title 'Financial Year' and three options: '--Select --', '2021-22', and '2020-21'. The '2020-21' option is selected, indicated by a blue radio button. At the bottom of the menu are two buttons: 'CANCEL' and 'OK'. The background shows the same form as the previous screenshot, but the 'Financial Year' field is now populated with the selected option.

3. Select “Plant Type”, “Plant Name”, “Plant Heights” from drop down menu.

4. On the basis selected filters, plant list will populated as shown in below screen shot.

5. In plant list, user will add “stock” by clicking on “Add Stock” button.

6. In “Nursery Stock Entry”, enter “stock for sale/distribution” in stock for sale/distribution text field.

← Nursery Stock Entry

Nursery Name : [JA/JAI/NUR0374] Mansarover Nursery

Financial Year :
2021

Plant Name :
Aam(आम)

Plant Height :
2-3 Feet

Stock for Sale/Distribution*:
0

Stock for Dept. Plantation*:
0

Save

7. In “Nursery Stock Entry”, enter “stock for dept plantation” in stock for dept plantation text field.
8. After entering “stock in sale/distribution” and “Stock for dept plantation” click on save button .
9. After clicking on “Save” button, alert will display “Data save successfully” and user will re-direct to nursery inventory management.

Note: User can “Add” stock in one time in financial year only.

10. User will view entered stock in plant list, user can update the entered stock by clicking on “Update stock” button.

← Nursery Stock Entry

Plant Age
Less than 1 year

Q SEARCH

Q Search

| Plant Common Name | Plant Scientific Name |
|-------------------|-----------------------|
| Aam (आम) | Mangifera indica |

| Plant Height | Plant Age |
|--------------|------------------|
| Upto 2 Feet | Less than 1 year |

Total Stock (Sale/Distribution + Plantation) : 15

| Sale/Distribution Qty. | Dept. Plantation Qty. |
|------------------------|-----------------------|
| 10 | 5 |

Total Stock Out (Sale/Distribution + Plantation) : 0

| Sale/Distribution Qty. | Dept. Plantation Qty. |
|------------------------|-----------------------|
| 0 | 0 |

Total Remaining Stock : 15

| Sale/Distribution Qty. | Dept. Plantation Qty. |
|------------------------|-----------------------|
| 10 | 5 |

UPDATE STOCK

11. In update stock , click on “sale/distribution stock updation” tab.

The screenshot shows a mobile application interface for 'Nursery Stock Update'. At the top, there is a green header bar with a back arrow, the title 'Nursery Stock Update', and icons for home, user profile, and a share/refresh icon. Below the header, there are two tabs: 'Sale/Distribution Stock Update' (which is selected and highlighted in green) and 'Dept. Plantation Stock Update'. The form contains several input fields: 'Nursery Name' (empty), 'Financial Year' (2021), 'Plant Name' (Aam(आम)), 'Plant Height' (Upto 2 Feet), 'Stock for Sale/Distribution*' (10), 'QTY' (empty), and 'Date of Stock*' (27/05/2020). At the bottom of the form is a green button labeled 'Update'.

12. Enter “QTY” in qty text box.

13. After entering “Qty”, click on “Update” button.

Note: User can update “QTY”, less then equal the existing quantity.

14. After clicking on update button, alert will display “Date successfully updated” and user will redirect to stock entry Screen.

15. If user wants to update data in “Dept plantation” then click “dept plantation stock updation” tab.

This screenshot shows the same 'Nursery Stock Update' form, but with the 'Dept. Plantation Stock Update' tab selected. The 'Stock for Sale/Distribution*' field now displays '5'. All other fields remain the same as in the previous screenshot: 'Nursery Name' (empty), 'Financial Year' (2021), 'Plant Name' (Aam(आम)), 'Plant Height' (Upto 2 Feet), 'QTY' (empty), and 'Date of Stock*' (27/05/2020). The green 'Update' button is still at the bottom.

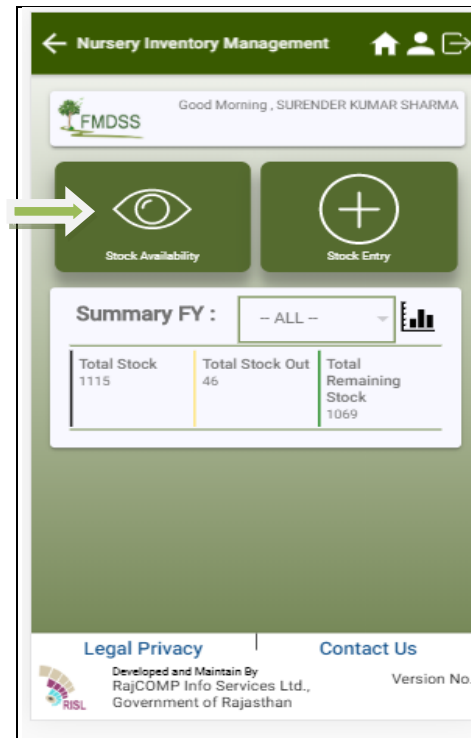

16. Enter “QTY” in qty text box.

17. After entering “Qty”, click on “Update” button.

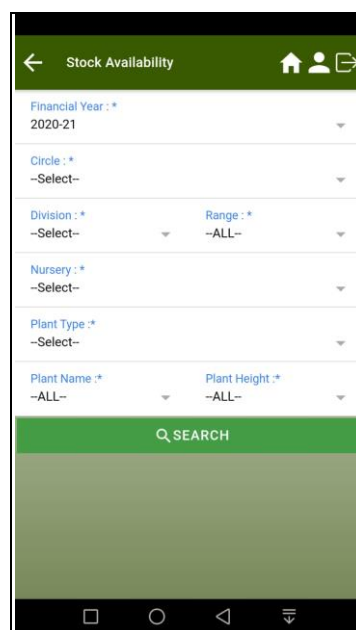

18. After clicking on update button , alert will display “Data successfully updated” and user will re-direct to stock entry screen.

5.2 Stock Availability

1. User can view or check stock availability of nursery in “Stock Availability tab”

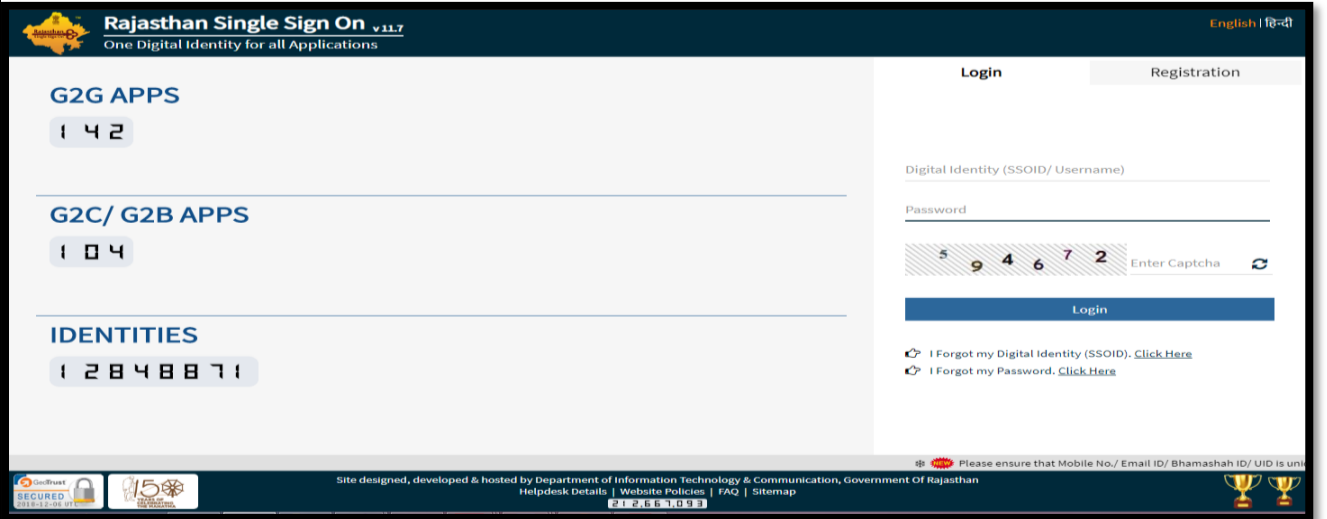

2. In stock availability, select “Financial Year” from drop down menu.

3. Select “Circle” from the drop down menu.
4. On the basis of selected circle , user will select “Division” from drop down menu.
5. On the basis of selected “Division”, select “Range” from drop down menu.
6. Select “Nursery” from drop down menu.
7. After selecting “Nursery”, select “Plant Type”, “Plant Name” , “Plant Height” , from drop down menu.
8. After selecting all the mandatory fields, click on “Search” button.
9. After clicking on “Search” button, list of nursery plant will display according to the selected filter.

6. Access of FMDSS Web Application

1. User will type URL address of FMDSS application (<http://fmdss.forest.rajasthan.gov.in/>) in address bar of web browser.
2. Then click on “SSO” login.
3. Enter "SSO ID", "Password" and 6 digit captcha code and click on login to access FMDSS application

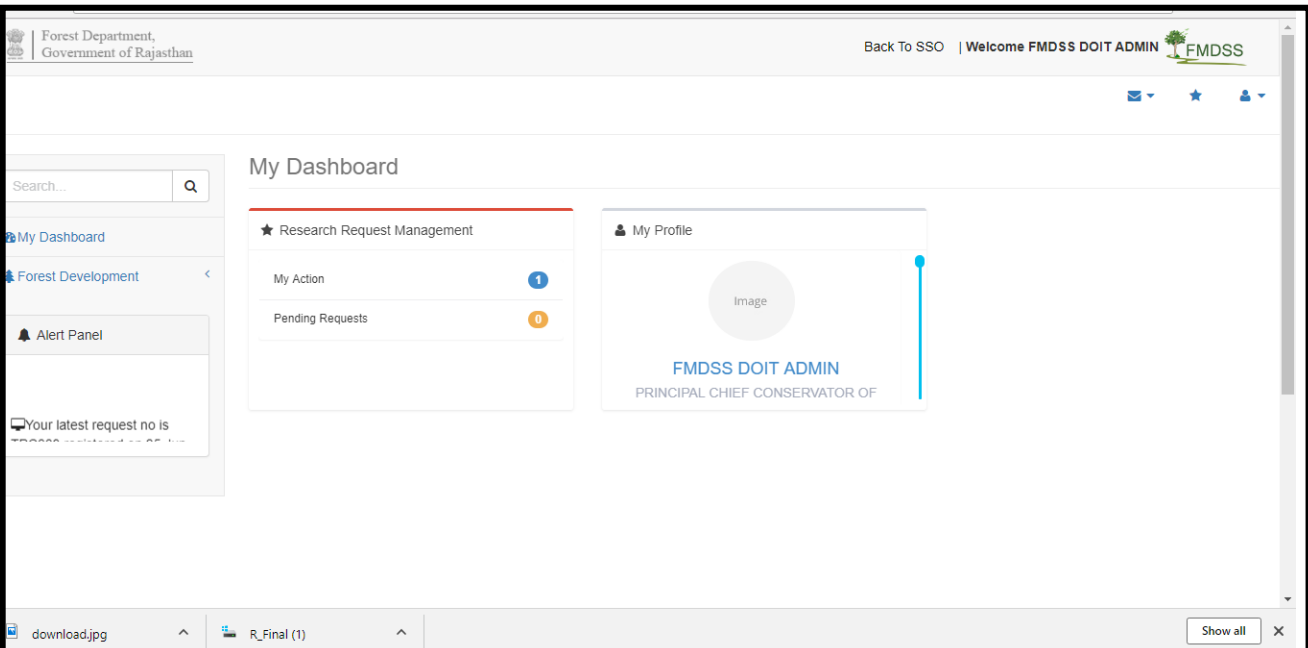

If any user does not have "SSO ID", then he/she may create his/her "SSO ID" through “New Users Registration”.

6.1 Manage Nursery Module

(Development Module ->FOREST DEVELOPMENT->Manage Nursery)

1. After login into SSO, User dashboard will open.

2. Click on development module->Forest Development->Manage Nurseries.
