Access of Auction (Department User)

Transit Permit:

- First Department user will login using Sso id and password.

- After Entering SSO id and Password, department user will click on Login button.

- After clicking on login button, Dashboard open as shown in above picture.
- Click on Forest Production grid,then click on Transit Permit .

The screenshot shows the 'My Dashboard' section of the FMDSS portal. On the left, there is a sidebar with links: 'My Dashboard', 'Forest Production', 'Auction Notice', 'Transit Permit', and 'Manage Depot Inventory'. The main area displays the user's profile: 'Bharat Singh' (Forest Guard). At the top right, there are links to 'Back To SSO' and 'Welcome BHARAT SINGH'.

5. After clicking on Transit Permit department user can add new transit permit by clicking on Add New Transit permit button.

The screenshot shows the 'Transit Permit' list page. The sidebar includes 'My Dashboard', 'Forest Production', 'Auction Notice', 'Transit Permit' (which is selected), and 'Manage Depot Inventory'. The main area shows a table with two entries:

TP Name	From Village/Depot	To Village/Depot	Product Name	Transfer QTY	Transport Mode	Action
TP000001	Achanchukya	Jaipur Depot	Arrow Bamboo(bamboos 16 feet)	100.00	Motor	
TP000002	Achanchukya	Jaipur Depot	Charcoal(Charcoal 10 feet)	100.00	Train	

At the bottom, it says 'Showing 1 to 2 of 2 entries' and has 'Previous' and 'Next' buttons.

6. After clicking on Add New Transit Permit button, Below show form is open.

The screenshot shows the 'Permission to Transit' form. The sidebar includes 'My Dashboard', 'Forest Production', 'Alert Panel', and 'Welcome in FMDSS portal'. The main form fields are:

- Transfer Mode:** *
--Select--
- Produce Type:** *
--Select--
- Product Details:** *
--Select--
- Quantity to be transferred:**
Enter QTY to be Transferred
- Mode Of Transport:**
--Select--
- Vehicle Number:**
Enter Vehicle Number
- Driver License No:**
Enter Driver License No
- Driver Name:**
Enter Driver Name
- Driver Mobile No:**
Enter Driver Mobile No
- Validity of Transit Permit:**
10/04/2018

At the bottom are three buttons: Submit, Cancel, and Reset. A green button on the right says 'Transit Permit List'.

7. Department User will Select Transfer Mode from the drop down menu.

The screenshot shows the 'Permission to Transit' form. On the left sidebar, there are links for 'My Dashboard', 'Forest Production', and 'Alert Panel'. The main form area has a title 'Permission to Transit' and a 'Transit Permit List' button. The 'Transfer Mode:' field is a dropdown menu with options: '--Select--', 'Select', 'Site to Depot', and 'Depot to Depot'. The 'Site to Depot' option is highlighted with a blue selection bar. Other fields include 'Quantity to be transferred:', 'Vehicle Number:', 'Driver Name:', 'Validity of Transit Permit:', and buttons for 'Submit', 'Cancel', and 'Reset'.

8. Department user select Site to Depot option from the drop down menu.

The screenshot shows the 'Permission to Transit' form with the 'Transfer Mode:' dropdown set to 'Site to Depot'. The 'From Site' section contains fields for 'Range name:' and 'From Site:', both with dropdown menus. The 'To Depot' section contains fields for 'Division Name:', 'Range Name:', 'Name of Depot Incharge:', 'To Depot:', 'Product Type:', 'Product Details:', 'Mode Of Transport:', and 'Driver License No.', all with dropdown menus. The 'Quantity to be transferred:', 'Vehicle Number:', and 'Enter Vehicle Number' fields are also present.

9. Department user will select Range Name from the drop down menu in From Site grid.

10. Department user will select from Site from the drop down menu in From Site grid.

11. In To Depot grid department user will select Division Name, Range Name, To depot from the drop down menu and also enter Name of Depot Incharge in Name of Incharge field.

12. If Department user select Depot to Depot from the drop down menu
